

**34A-6-109 Educational and training programs.**

- (1) The division, after consultation with other appropriate agencies, shall conduct, directly or by assistance:
  - (a) educational programs to provide an adequate supply of qualified personnel to carry out the purpose of this chapter; and
  - (b) informational programs on the importance of adequate safety and health equipment.
- (2) The division is authorized to conduct, directly or by assistance, training for personnel engaged in work related to its responsibilities under this chapter.
- (3) The division shall:
  - (a) establish and supervise programs for the education and training of employers and employees for recognition, avoidance, and prevention of unsafe or unhealthful working conditions;
  - (b) consult and advise employers and employees about effective means for prevention of any work-related injury or occupational disease; and
  - (c) provide safety and health workplace surveys.
